# KNOW the Test™ Custom Content Course

*Designed for Juniors at Brewster Academy*

## Course Overview

**Knower Academics is excited to once again partner with Brewster Academy to offer our spring SAT/ACT test prep class.**

Our innovative syllabus uses a blend of instructional formats that appeal to diverse learning styles. In the classroom format, students learn specialized test-taking strategies that are applicable to both the SAT and ACT, as well as the techniques that “strong test takers” use to earn their best scores. Additionally, the course incorporates one-to-one “breakout sessions” for each student in the content areas most applicable to improving their scores. Due to this customization, all students (regardless of baseline score or academic skill set) directly benefit from their classes, and students may use the course to prepare for either the SAT or the ACT. Ultimately, this syllabus presents a right-sized approach to studying for the college entrance exams. We aim to provide a good grounding in test preparation without being exhaustive, both in terms of the content covered as well as the course duration.

## Cost per Student

**\$700, all materials included, minimum fill of 5 students, maximum fill of 10 students**

## Features

**7 hours of small group instruction PLUS! 4 individualized breakout sessions, taught in a 1:1 environment**

KNOW the ACT™ BASE Assessment & projected ACT® score\*  
Preparation for the SAT® or ACT®  
Genuine Practice Tests  
Test-Taking Techniques  
Individual Breakout Sessions\*\*

50 Highland Street | Plymouth, New Hampshire 03264 | 603-238-3283 | info@knoweracademics.com

\* Our detailed ACT BASE report is available for purchase at an additional cost of \$100. These reports provide detailed analysis of the student's performance on these assessments. Instructors use these results to fine-tune instruction in test-taking techniques, to identify suggested areas of focus, and to generate custom sets of practice problems.

\*\* Breakout sessions will be scheduled during free blocks and other mutually available times. Breakout sessions are either 1 hour or otherwise aligned in duration with the Brewster schedule.

*Designed for Juniors at Brewster Academy*

2/14/2021	<b>Class 1</b> 3 hours	KNOW the ACT™ BASE Exam <i>* Please inquire about our optional score report.</i> Students complete an abridged ACT practice test in a realistic test environment and calculate a projected score.
